COMING UP

Postponement of the Osney Communities' Raft Race

Since the organising committee settled upon a July date for this event, we have been made aware that this summer the Environment Agency are planning to replace a weir near part of the course, and that consequently building works forming part of the Osney Micro-Hydro scheme have been scheduled to start in advance of this. In order for this event to go ahead in a safe and responsible manner the organising committee has to work closely with all parties, and in particular the Osney Micro-Hydro Scheme and the Environment Agency. Over the past few weeks we had numerous discussions regarding the impact of the planned works on the raft race, and have carefully considered the issue. Regretfully, we have concluded that it would be unwise to hold our event whilst these building works are taking place, and so have decided to postpone the event to the summer of 2014 – probably early June.

We would like to take this opportunity to apologise to all the disappointed would-be competitors who have already started making plans, designing craft and assembling materials. Having already invested time and effort into laying the foundations for what we believe will be a great community event, we remain fully committed to making the Osney Communities' Raft Race a success, and look forward to many of you entering a team next year.

Osney Island Fair 6th July.

We will be holding an Osney Island Fair on 6th July with traditional fair games, duck race, duck pipping competition and of course, tea on the towpath. We will apply to close East St from 12pm – 6pm on the day. Any concerns regarding this please contact Karen Brooks, 62 Bridge St Karen@chillipots.co.uk 0781 080 5406.

A plea for help - we are in need of: cake makers, people to run games, people to do teas, face painters, tables, tombola prizes, people to play music on the day and general help. If you can help with any of these please let Karen Brooks, 62 Bridge St Karen@chillipots.co.uk 07810805406 know. If you would like a duck to pimp or race, please contact Nicky Manson 74 Bridge St nickym63@gmail.com 07815 012 306 or Nadia Bonin 82 Bridge Street nboin@yahoo.ca 07876226983 after 5.30pm.

**West Oxford Beer Festival Saturday
22rd June, 7-11pm in the West Oxford
Community Centre.**

From David Jeffry: This mini-festival features a range of local ales, all brewed within 30 miles of Oxford, and is always a sell-out success. Entrance is by ticket only priced £5 that gains you entry to WOBfest and includes a commemorative pint glass keepsake.

Tickets are on sale now, and are going quickly! You can get them from Eggs Eggsetera, Pearce Alder, from me at 13 South Street (email david@wobfest.co.uk), or via our Facebook page (just search for "WOBfest"). If you click on the "like" button you will get all our updates. We have started updating our website: www.wobfest.co.uk, including the first few beers we have provisionally scheduled.

Please get in contact if you are interested in helping out – selling tickets, pouring pints, or by becoming a beer sponsor, either corporate or individual. Without our sponsors and volunteers the festival would not be possible. We look forward to seeing you and your friends.

Oxford in Bloom launches for 2013

Oxford in Bloom is going for gold this year as it launches its 2013 competition and helps in the city's regional Britain in Bloom entry. Gardener's young and old; businesses, schools and community groups are invited to enter. Categories include best kept gardens, beautiful containers, balconies or commercial and community displays as well as junior Oxford in bloom and gardening for the disabled. A new category for Barton in Bloom launches this year in partnership with the local residents and city council. Whether you share a garden, work with a community group, work for a local business or have a

hanging basket or trough there is something for everyone. Prizes are awarded to the top three in each category, and range from £25 to £100 and include a certificate and trophy to the winner. Each category and entrant will be judged on colour, impact, tidiness and quality, choice and arrangement of planting.

Entries will be accepted from groups, businesses and residents within the City boundary. You can enter online at www.oxford.gov.uk/oxfordinbloom, or application forms are available from council offices, Templars Square shopping centre, customer services outlets. Businesses and community groups can benefit from a council contractor to supply hanging baskets, planters and window boxes. Prices start from £80. Closing date for entries is Monday 1st July for schools and nurseries and Monday 15th July for all other categories. If you would like to find out more please contact Oxford City Council's Parks Service on 01865 252240, email parks@oxford.gov.uk or visit www.oxford.gov.uk.

ISLAND NEWS

West Way: COMMUNITY SURVEY RESULTS – KEEP BOTLEY LOCAL!

This is the overall message from the West Way Community Concern survey, the results of which were announced at our public meeting on 22nd May.

727 of you completed our survey, covering an area from Appleton to Osney Island and every age group. Thank you. And also to our community newsletters who spread the word and helped us so much. The message you have given us seems clear:

Redevelop West Way in a sensitive manner to maintain it as the heart of the community with:

- easy access for all means of transport, including pedestrian
- a comprehensive range of independent shops, restaurants and cafes
- at least one supermarket similar in size to the Co-op
- a good-sized library and public open space
- sheltered housing retained.
- This should not include:
 - a massive supermarket aimed at a much wider market
 - a cinema or
 - student accommodation

Please go to our website or drop us an email if you want to find out what is planned to happen next. We will do our best to keep everyone informed in these pages as things develop. westwayconcern@gmail.com

Pests

From an anonymous resident: Last year, the Oxford Mail reported that our City was among the top 10 worst for rats. That, along with the fact that Osney Island is surrounded by water, makes our Island a haven for the pesky creatures. Certainly, one or two have been spotted in Osney gardens. As well as carrying horrible diseases, rats can gnaw through tough objects (even soft metals and breeze blocks), and, of course, they multiply quickly too. Therefore, it is important we all do our bit to control

the population. The whole grain bait is most effective at poisoning them (available from hardware stores), but make sure you put one, or even more, sachets in a tray, as putting down only a little means the rats only nibble a little – then it doesn't kill them, but rather helps them to build a resistance. Also, you should avoid leaving food out for birds unfortunately), or any other food or water sources in your garden. If you hear scratching in your house, you may have rats or mice in the cavity walls or perhaps in the void below your floor or above your ceiling. A good pest management company, one recommended by a local resident is Integral on 01869 278543.

A happy ending

A regular whimsical slot from Jane Buekett of South Street: During the coldest Easter for years, our neighbours' cat Lucy managed to get stuck on the roof. She climbed out of a skylight, mountaineered her way across several rooftops and couldn't find her way back.

No-one could reach her, nothing could tempt her to retrace her steps. She spent a night up there, miaowing pitifully, then another. Finally, on Easter Monday, the fire brigade enacted a rescue and a very hungry Lucy came home.

It was an entertaining spectacle – Lucy's little pointy-eared face peering over the gutter, four firemen struggling with an enormous ladder. It was an immense relief – a happy ending to what could have been a much sadder South Street story. And it said something about us as people. 'What an extraordinary species we are,' my neighbour said as we watched two firemen up a ladder trying to coax a small cat into reach.

It made my weekend. And not just mine. I put a little photo story of the rescue on Picasa to amuse my neighbours. When I sent it to some friends they were delighted with it. More and more people looked at it. All of them loved it. This very British tale, with its resonance of children's stories, seemed to give out the message that something must be right with the world.
